[PICKANAPP AFRICA](#)

Front-End developer

Remote
April 2022 – July 2022

- Developed production, tested, and built websites using various software programs.
- Reviewed and corrected errors in code as team members finished.
- Organize stand-up meetings.

MICROVERSE

Remote

Mentor (Volunteer)

February 2022– December 2022

- I mentor junior web developers, providing technical support through code reviews.
- I propose improvements to code organization to improve code quality and overall performance.
- I provide advice and tips on maintaining motivation to maintain longevity in the program.

EDUCATION

MICROVERSE

January 2022 – September 2022

Remote Full Stack Web Development Program, Full Time

- I spent 1300+ hours mastering algorithms, data structures, and full-stack development while simultaneously developing projects with Ruby, Rails, JavaScript, React, and Redux.
- I develop skills in remote pair-programming using GitHub, industry-standard git-flow, and daily standups to communicate and collaborate with international remote developers.
